

Night en Blanc Auction Donation Form

Dear Community Partners and Supporters,

Collaboration Center Foundation is excited to announce our Inaugural Night en Blanc White Light Gala at the magnificent 5-acre Las Vegas Ranch on September 23, 2021 to support individuals and families touched by Intellectual, Developmental and Physical Disabilities of ALL ages in Nevada. This event will be a premiere cocktail gala with Celebrity Chefs serving prominent guests under the stars honoring our own legendary disability advocate and fundraising ICON Linda Smith.

Astoundingly, there are over 37,000 children and youth alone in Clark County School District Special Education programs living with one or more disabilities. Most of these families do not know where to go for services and support to have a better quality of life. There are also over 4,000 children and youth on treatment waitlists in Southern NV. Collaboration Center is the answer to getting individuals connected to treatment, therapy, proper healthcare, supports, recreation and education. Please join us in making a difference in our community!

Sincerely,

Shanon Ayala and Jill Moser | Event Chairs

Night en Blanc Auction Donation Form | September 23, 2021

Collaboration Center Foundation was established in February 2019, to serve and support the lives of families and individuals living with Intellectual, Developmental and Physical Disabilities, by providing the largest disability resource network in Southern NV.

Collaboration Center is a safe community for inclusion and a disability resource network, focused upon family and peer engagement, social interaction, recreation, therapy, and education to enhance the lives of those touched by Intellectual, Developmental, and Physical Disabilities (ID/DD/PD) of ALL ages.

Our vision is to create the largest disability resource network in the state that will help every individual and family in need of disability services get connected to the best resources for their needs, while creating a safe campus community that meets families where they are and promotes health and wellness, physical and mental health, and strong supportive relationships.

We hope that you will be able to join us in donating an item/s or basket for our auction to support our disability community.
